Upload and Create your Resume

The screenshot displays the Euron website's main interface, titled "Transform Your Career Journey". The header text reads: "Create an ATS-optimized resume, get detailed insights, and prepare for your dream job with our comprehensive career tools." The interface is divided into two main columns. The left column features a large button labeled "Upload Existing Resume" with a document icon, and a description: "Drag and drop your resume or click to browse. We only support PDF formats." The right column features a large button labeled "Create New Resume" with a plus icon, and a description: "Build your professional resume from scratch with our intuitive and easy-to-use builder." Below these are six smaller cards arranged in a 3x2 grid. The first row includes "ATS-Friendly Resume" (Optimized resume formats for ATS success) and "Cover Letter" (Craft a tailored cover letter to complement your resume). The second row includes "Detailed Analysis" (Receive a detailed analysis of your resume.) and "Interview Preparation Guide" (Get personalized interview preparation guides and career planning). The third row includes "Career Roadmap" (Get a personalized career roadmap to help you achieve your goals) and "Project Ideas" (Access curated project suggestions to enhance your portfolio).
